Heidelberg University

1-2 June 2017: the annual conference of all German Erasmus coordinators organized by the DAAD took place in Heidelberg.

Besides the conference there was a photo stream with pictures since the beginning of the Erasmus programme and interviews with witnesses. Students organized a flag parade through town and there was an interactive art installation on Heidelberg University's square. Some departments also celebrated the 30 years of Erasmus with gatherings with outgoing and incoming Erasmus students. <https://eu.daad.de/news/de/55094-erfolgreiche-erasmus-jahrestagung-01-in-heidelberg/>

Friedrich Schiller University Jena

15 November 2017: Celebration of the 30th anniversary of the Erasmus+ programme

On 15 November 2017 the University Jena invites all university members, alumni, and Jena's citizens to take part and celebrate ERASMUS. Local ERASMUS students who just returned from their semester abroad as well as incoming international students will be happy to provide information on the possibilities and characteristics of various countries and universities. As part of the Mobility Fair on campus a range of organisations such as the Erasmus Student Network, AIESEC, or the university's International Office will answer any questions coming up concerning exchange programmes.

One of the highlights of this day's celebration is the exhibition of the award-winning photos, submitted by local students in the course of a competition. The International Office is pleased to present outstanding and inspiring impressions of the students' time abroad.

The Cultural Office of the Studierendenwerk invites interested parties to share ideas, experiences and thoughts on Europe and its diversity accompanied by culinary delights.

University of Pavia

The University of Pavia adhered to several initiatives fostered to celebrate the 30th Anniversary of Erasmus. Here are the most significant ones:

Participation to the States General Erasmus organized by the Italian Erasmus+ National Agency in collaboration with the Italian Presidency of the Council of Ministers, the Italian Ministry of Education and the European Union. The works lead to a final document called *Carta della Generazione Erasmus*, where a relevant contribution was brought by former and current Erasmus students. The English version of the document is available at this link: <http://www.erasmusplus.it/pubblicazioni/the-charter-of-the-erasmus-generation/>

A former student of the University of Pavia, Gianni Cristian Iannelli, was among the 33 prize winners selected in all the Erasmus+ Programme countries for their achievements thanks to their participation to an Erasmus+ mobility project. A list of the prize winners with their stories can be found at the following link regarding the celebratory event held in Strasbourg: https://ec.europa.eu/programmes/erasmus-plus/anniversary/erasmusplus-9-million_en
