

# Equality & Diversity

## Policy Priorities

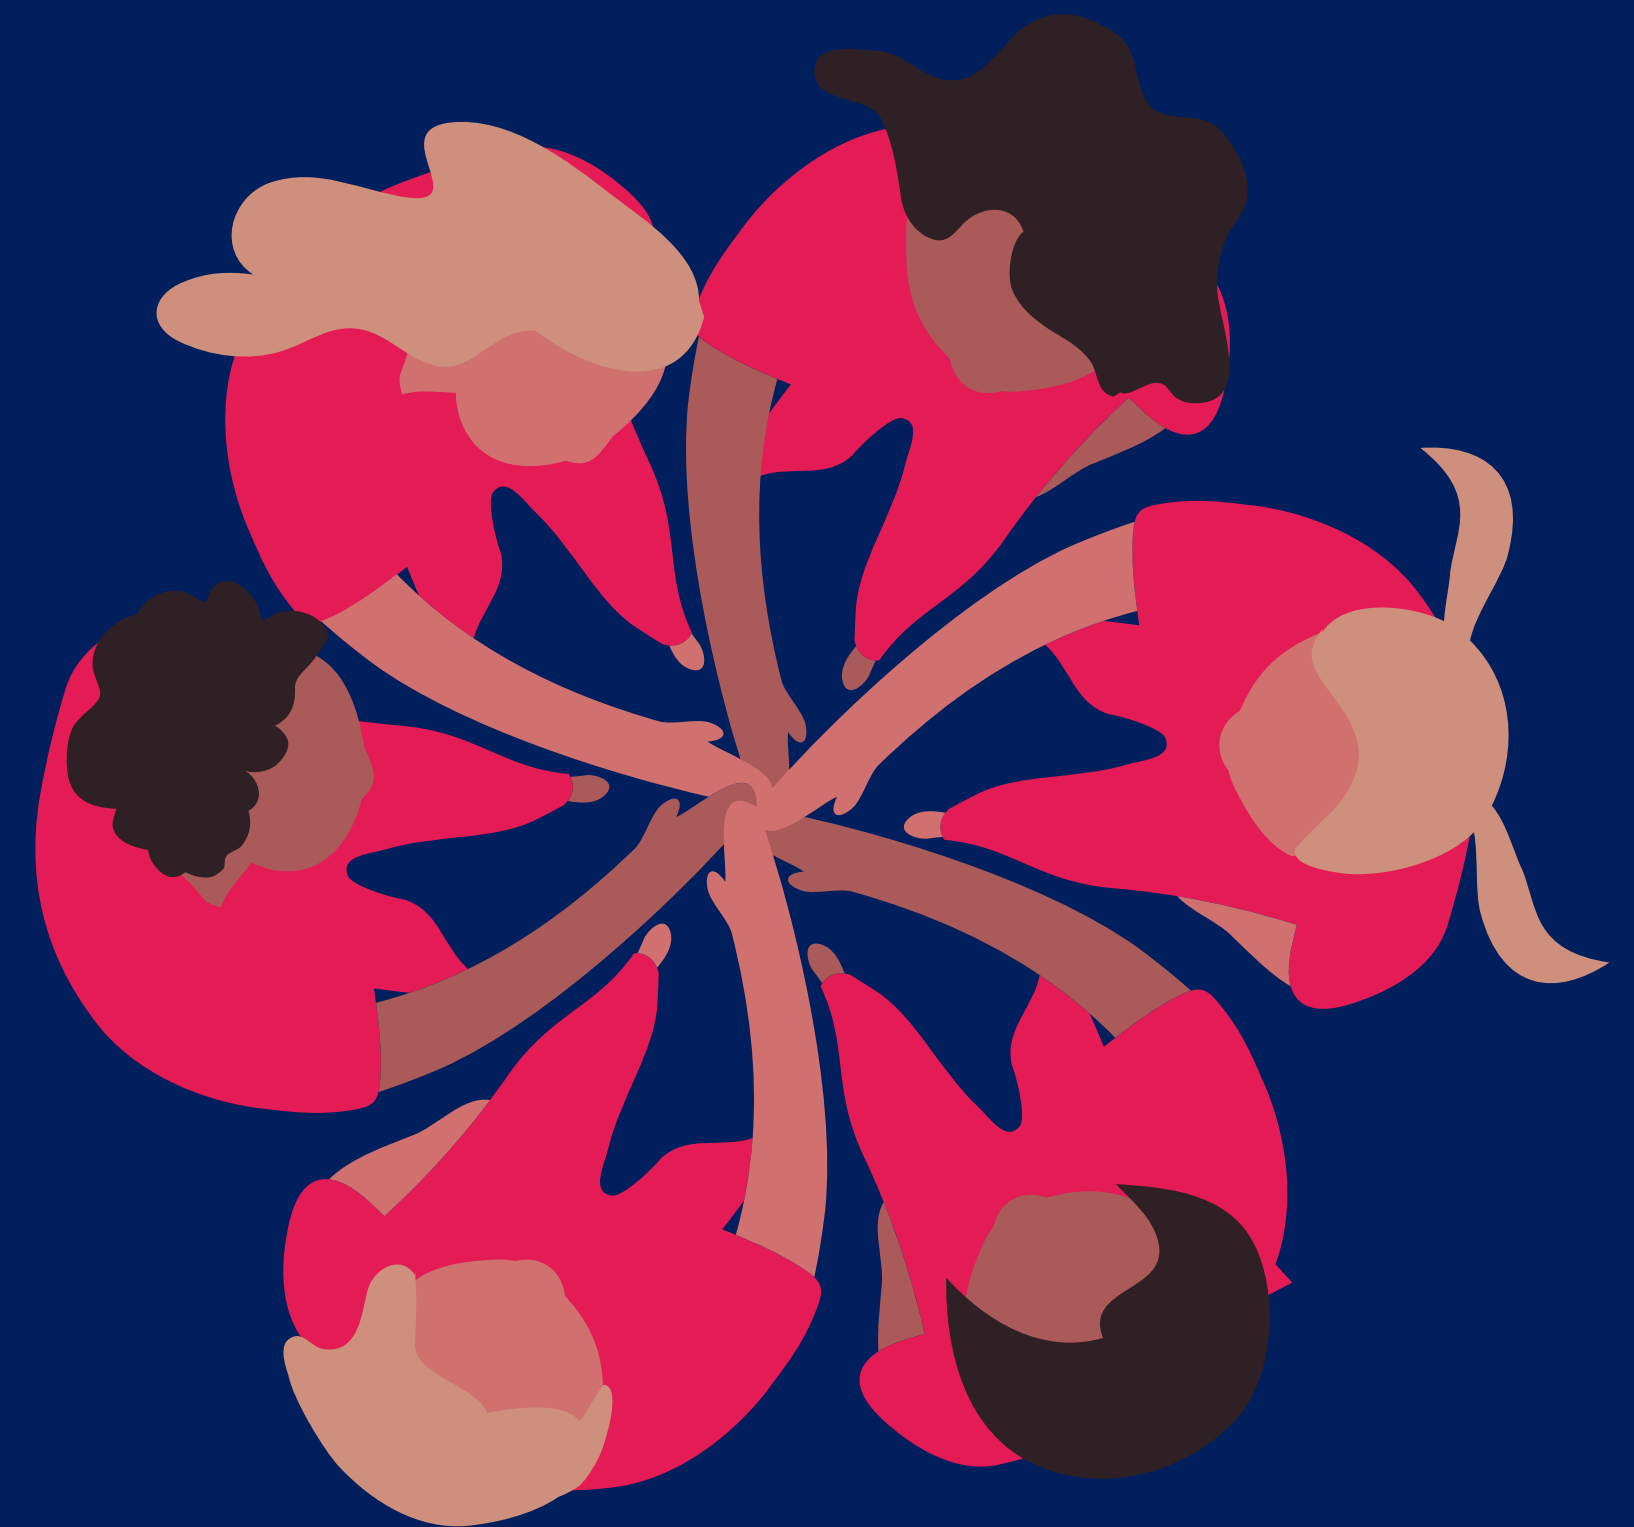

- ✓ Moving beyond gender-based violence in academia and society
- ✓ Tackling issues of sexism and racism from an intersectional perspective in collaboration with HER WG
- ✓ Serving as advisory body on Equality Diversity & Inclusion (EDI) for CG universities and EC policies in the ERA

## More information

ED WG strives to promote networking and sharing of good practices across the CG universities in the area of inclusive education and leadership, equality between men and women, diversity and intersectionality.

## Key Activities 2023/24

- ✓ Incorporation of **diversity** into pedagogical practices, collaborative research projects and institutional measures
- ✓ **Advocacy** messages in response to governmental violence in Iran
- ✓ Data collection on anti-racist policies and practices from an **intersectional perspective**

ED WG aims to open up its debates and initiatives to all CG universities and also the European University Alliances by sharing workshops, webinars and advocacy initiatives. It will also face the challenge of digging into the digital domain and looking at algorithmic biases in Artificial Intelligence in relation to ethics and social justice.
